

InterDom is already planning its Fall agenda of visits to universities to meet with students and faculty interested in the program. Team members welcome the opportunity to present to student groups and classes and participate in career and internship fairs. If you would like InterDom to visit your university, send an email request to students@interdominternships.org.

InterDom's Summer 2010 Program is right around the corner! Orientation begins on June 7th, and the team is very excited for the full agenda! In addition to the activities, the students will be doing internships related to some very interesting and relevant topics. Check the InterDom website frequently for updates on what the interns are doing...

BREAKING NEWS: InterDom is currently accepting applications to participate in the Fall 2010 program. Don't miss your opportunity to get work experience in the Dominican Republic! Applications will be accepted until July 15th.
