## INTERNSHIP CERTIFICATION SEMINAR

InterDom serves professionals and organizations of the public, private and nonprofit sectors in the Dominican Republic through the Internship Certification Seminar, a workshop given three times a year which instructs participants in the best practices to implement and/or improve internship departments in their respective organizations. To date, some 45 organizations have been certified through the program.

## HOUSING AND CULTURAL ACTIVITIES

Participants in InterDom programs are provided with comfortable residences, access to modern facilities and technology and a comprehensive follow-up and support agenda throughout the internship experience. Cultural excursions and get-togethers are coordinated in order to further immerse participants in Caribbean culture, provide interaction with key societal actors and access to communities, as well as exposure to the country's natural beauty and artistic wealth.
