

## Teaching Assistant - Early Childhood Education / Pre-school

**Project Profile:** The early childhood education teaching assistants support the head teachers in the planning and implementation of learning experiences that enhance the intellectual, emotional, social and physical development of the children in a safe and healthy learning environment. The Intern will teach children between the ages of 2 and 5 years with the objective of readying them for literacy.

### Objectives of the Internship:

- Assist in children's activities that would allow them to properly mature their psychomotor area and develop good interpersonal skills.
- Provide support to individual students inside and outside the classroom so that they may fully participate in the activities.
- Provide support to students with emotional or behavioral problems and help them develop their social skills.
- Work individually with children or with small groups.
- Ready the classrooms for classes.
- Attend the team and staff meetings.
- Teach classes under the guidance of the head teacher.
- Provide support with the planning of the classes, according to the academic curriculum for each grade level.
- Evaluate, together with the teacher, the students' learning process.
- The Intern may be required to perform other related tasks.

### Requirements:

- Students in the areas of education, psychology and special education.
- Spanish must be the first language. English may be required for bilingual schools.
- Ability to adapt to multicultural environments.
- Good communication skills, oral and written.
- Ability to work in a team.

### Opportunities:

- Gain professional experience in their area of study.
- Become familiar with the teaching methods used in the Dominican Republic.
- Learn teaching strategies.
- Develop leadership, creativity and innovation skills.

**Hours per week:** 25 to 30

\* This is an Internship model; this description will be adjusted to the needs of each educational institution.
